PROPOSAL FORM

Professional Indemnity

DUTY OF DISCLOSURE

This proposal form is to be completed by the Applicant or an Authorised Officer of the Applicant.

The information provided to Vero Liability in this proposal form will be the basis of any contract of insurance entered into.

You must disclose to Vero Liability Insurance Limited all information which is material to it in deciding whether to issue insurance cover to you, and if so on what terms and/or premium. This includes but is not limited to any circumstances or conduct which might lead to a claim being made against you. This may also include information which is additional to the questions that we have asked. The duty to disclose material information occurs prior to the commencement of cover, prior to each renewal or whenever the policy is varied. This means that prior to renewal or any policy variations, as well as advising of new information you also need to advise us of any alterations to the facts previously notified. Failing to disclose material information may result in your policy being avoided. This means that your policy would be deemed to have never existed and no claims would be payable.

If there is insufficient space to provide full information in this proposal, please attach additional sheets. **WHEN IN DOUBT DISCLOSE.**

IMPORTANT NOTICE

This is a proposal form for a Claims Made policy.

The policy will only respond to claims and/or circumstances which are first made known to the Insured and notified to Vero Liability Insurance Limited during the policy period. The policy will not provide cover for:

- Events that occurred prior to the retroactive date of the policy (if specified).
- Claims made after the expiry of the policy period (or extended reporting period if available) even though the act giving rise to the claim may have occurred during the policy period.
- Claims notified or arising out of facts or circumstances notified under any previous policy or noted on the current proposal form or any previous proposal form.
- Claims made, threatened or intimated prior to the commencement of the policy period.
- Claims arising from circumstances known to the Insured at the commencement of the policy period as having the
 potential to give rise to a claim.
