

IMPORTANT: Duty Of Disclosure

This proposal form is to be completed by the Applicant or an Authorised Officer of the Applicant. The information provided to Vero Liability in this proposal form will be the basis of any contract of insurance entered into.

There are serious consequences if you fail to tell us information which is material to our decision to issue, renew, or alter this policy, or the terms on which we did any of these things.

You must disclose to Vero Liability Insurance Limited all information which is material to it in deciding whether to issue insurance cover to you, and if so on what terms and/or premium. This includes but is not limited to any circumstances or conduct which might lead to a claim being made against you. This may also include information which is additional to the questions that we have asked. The duty to disclose material information occurs prior to the commencement of cover, prior to each renewal or whenever the policy is varied. This means that prior to renewal or any policy variations, as well as advising of new information you may also need to advise us of any alterations to the facts previously notified.

Failing to disclose material information may result in your policy being avoided. This means that your policy would be deemed to have never existed and no claims would be payable.

If there is insufficient space to provide full information in this proposal document, please attach additional sheets. **WHEN IN DOUBT DISCLOSE.**
